CODE CARNAGE 2.0

24 HR - HACKATHON

ABOUT

Code Carnage 2.0 is not just a hackathon—it's a battleground of intellect, innovation, and resilience. Over the course of 24 electrifying hours, participants will collaborate, ideate, and engineer groundbreaking solutions to pressing real-world challenges. With a unique blend of competitive spirit and problem-solving prowess, this event is designed to push the boundaries of creativity and technical acumen. Whether you are a seasoned coder or an aspiring innovator, Code Carnage 2.0 offers the perfect platform to test your limits, network with like-minded individuals, and gain invaluable industry exposure.

CONDUCTION OF HACKATHON

- Participants are free to choose their desired domain and have to present the solution in front of judges.
- Projects will be judged based on creativity, technical feasibility, impact in the society and presentation.
- Teams can work continuously on-site throughout the event.
- Team size: 2-4 members.
- Registration fees is ₹999 INR.
- Problem statements will be given on spot.
- Internet access will be provided to each team.
- Lunch, Snacks & Dinner for April 29 & Breakfast for April 30 will be provided.

GUIDELINES

- Certificates will be provided to all the participants.
- No plagiarism or copying of projects will be entertained.
- Each team should bring their own laptop and accessories needed.
- College ID is mandatory for the participants.
- Any form of misconduct, misbehaviour or damage to property will lead to immediate disqualification.
- Participants are responsible for their belongings.
- Team members can be of interdisciplinary and inter college as well.
- Teams are required to submit their projects by the specified deadline, projects must align with one of the Hackathon domains.
- After registration all teams are invited to join us to the Hackathon at the venue on the day of the Hackathon.
- No online evalutation will be done.
